

Scentsy Buddy Holiday Drive for Kids

We Make a Living By What We Get, But we Make a Life By What We Give

Potomac Shores Residents-- the Social Committee is not only committed to providing you quality social activities for your family, but we are also focused on coordinating activities that allow us to give back to the community. In addition to the Toys for Tots drive, we are also doing a Scentsy Buddy Drive for the Street Light Organization which is a nonprofit organization that was established in 2004 to alleviate suffering among the poor and homeless. A Scentsy Buddy is a beautiful high quality stuffed animal with a pouch to hold a scent pack in its back. Kids love them. They love smelling their Scentsy Buddies and taking them all over the place. It's their own little best friend! The most important quality is that both the Scentsy Buddy and the Scent Pak have passed stringent product safety testing including specific safety tests for children's toys. Both products passed tests for tear strength and foreseeable misuse, fabric composition and cleanliness, and toxicological assessments for banned or restricted chemicals without producing detectable amounts of any such substance.

**If you would like to donate to this amazing cause, you can purchase one of the buddies on this page for \$30.
